Sir,

(P)

In G.O.No.508, Revenue, dated 1-9-1898, the bandy track from Bhandya to Neralkatte was admitted as right of way No.vi, ten feet wide for men, cattle and carts, within Mavinaguli Reserved Forest in Coondapur taluk, South Kanara district. In 1914 the District Board realigned and constructed a new road to connect the above places. As the points of entry and exit and width of the new road differ from those admitted at settlement I am notifying a description of the new road separately under Section 18 of the Madras Forest Act

and

and request that Government may be pleased to extinguish under Section 20 of the Act the right of way admitted at settlement, as from the date on which ~~my~~ description of the new road is published in the local Gazette.
